A BUDGET TRAVEL BLOG

## ABOUT THE BLOGGERS

Hello, we are Katie and Jake, the couple behind the blog Untold Wanderlust. We started our blog to inspire others to travel and to show people that you do not need to be super rich to see beautiful and amazing things around the world. Untold Wanderlust is a place where we share our travel experiences, tips, and itineraries of the countries and places we visit. Our blog is geared towards backpackers, travel couples, and travel enthusiasts who have a desire to see the world.
